

Local Granite Recycling Center

Awarded Best Recycling Business in Texas!

Austin, TX, November 2011 - SaveTheGranite.com of San Antonio, TX was selected because of their environmental stewardship, energy conservation and sustainable practices. Presented by Growing Green Communities a statewide organization with a mission of saving money, making money and creating Green jobs. Sponsored by the U.S. Department of Commerce Economic Development Administration and Texas Engineering Extension Service.

Award presentation by Gary Sera

Dale Pearson

Congratulations to Dale Pearson, owner SaveTheGranite.com and member of the International Granite Recycling Network and RecycledGranite.com. The San Antonio granite recycling business was selected due to the innovation of recycling granite remnants that has created economic value to the business and community. Texas Engineering Extension Service (TEEX) CEO Gary Sera presented the award.

4 steps to recycling granite countertop waste into gorgeous tiles:
